Flow of Petitions Starts as Staters Begin Vote-Getting

Many Noted Staters Running For Various Student Body Officers

In order to clear misunderstanding on the subject, it was announced last Wednesday that students contemplating running for a student body office could have scholastic averages of C-5 or better.

Marion Irwin, student body secretary, announced that this C-5 average meant a grade point average of .95 or better.

Three Petitions In

Miss Irwin also revealed that "three petitions have been turned in already and many more are expected before the dead line of April 16th." These included Bud Decker for President, George Mirande for Treasurer, and Vernon Ouellette for Yell Leader.

Date Set

The date for the election has been officially set for April 28, and in case of a tie or runoff, the second date will be on April 30th.

It was further stressed that any student who possessed the necessary scholastic average, and who complied with other minor requirements, was eligible for petitioning for nomination.

More Petitions Out

Petitions are also being circulated for Howard Demeke and Wm. J. J. Smith for President; for Pauline Quirk for Secretary; Dawn Wilson, Virginia Kyriazi for Vice-President; Leon Minear and Frank Muldoon for Treas. Roy Laugeson, Bob Chamberlin, Max Williamson, and Nola Keller are running for the Board of Publications.

Baseball Rally Staged At Noon in Gymnasium

According to Bud Decker, yell leader, the rally today in the gym will present a well rounded array of local talent. Helen Newell will sing, as will Murdock Mansfield. Coach Hal Harden will introduce the baseball team and will address a few pertinent remarks. Community singing, a popular feature of the past rallies will be offered again. As an added attraction, the pledges of the Phi Lambda Chi will be put through their paces and their antics are guaranteed to please even the most epicurean of tastes.

Musicians Approve Revised Document

Formation of a new constitution will be the purpose of a meeting of all music majors and minors, forming the Music Federation, on Wednesday, April 14. The constitution has been approved by the Music Federation executive board and the Student Body executive board. It has also been thoroughly discussed by the music faculty members. Passage of the constitution on Wednesday will mean that it will be official.

Hazel Patton, music major, was in charge of the committee on constitution revision. She was appointed by Leon Minear, president of the Federation, to serve in this capacity.

The reasons for the revision, as set forth by Minear are: (1) Shifting of the duties of officers of the Federation since the formation of the original constitution; (2) Inability of the previous Federation board to assess dues is taken care of. (3) A closer organization within the clubs, which was lacking under the previous set-up, will be effected by the revision.

Choir and Orchestra Give Brahms Requiem

State's vocalists will bring a second rendition of the world-famous Brahms's Requiem to the appreciative ears of San Francisco in the Mission High School Auditorium this afternoon at one o'clock.

Instead of giving the Requiem in its entirety the orchestra and chorus will present selected numbers. Among the various specialty numbers to be presented by the A Capella Choir and the Knuth-directed orchestra may be a special arrangement of the Mission High Hymn.

Frances Twohig Wins Fair Beauty Contest

By DORIS MacDONALD

Frances Twohig, State Colleen, emerged victorious from the final judging of the contestants in San Francisco State's beauty contest held in Little Theater Tuesday evening, April 6, at 8 o'clock.

Miss Twohig, who is five feet three inches tall and weighs one hundred and seventeen pounds, is a graduate of Mission High School. She has taken part in the last two dramatic productions presented by College Theater.

Six points of beauty were considered by the judges who included Will Smith, Willie Hammond and Bill Ferem. They included posture, facial expression, figure, legs, general characteristics or personality and facial beauty.

Acting as San Francisco State's representative, Miss Twohig will compete in the San Francisco World's Fair beauty contest which will take place soon. She was introduced to the student body at the noon dance held Wednesday, April 7, in Women's Gym.

Lois Towle, Sally Douglas and Peggy Clifford were Miss Twohig's competitors in the judging finals.

Music Federation to Hold Concert Hour

Sponsored by the Music Federation, a student concert hour will be given on Thursday, April 15th, in the Orchestra Room of Annex B at noon.

Student artists participating on the program are Carlton Peters, who will play several piano solos. A string quartet consisting of Carlton Hansen, first violin; Leon Minear, second violin; Jack Murphy, viola; and Richard Lotter, cello. Bertha Zisser and Constance James will present a series of two-piano numbers.

The student body is invited to attend the concert, the admission to which is free of charge. All noon music activity classes will be dismissed for the program.

Phi Lambda Chi Pajamarino To Culminate 'Hell Day' Today

Will Smith Forecasts Bigger and Better Fair

"People attending Alpha Phi Gamma's World Fair will benefit by its postponement," Will Smith, chairman, announced today. "Additional concessions, drill teams and entries are being arranged for," he continued, "so our customers will get more for their money."

The Fair, which was postponed because of rain, will be held at Roberts Field next Monday night, April 12.

One of the outstanding events of the fair will be the torch relay. It is scheduled to start at the World's Fair building on Bush Street and will be run through the streets of downtown San Francisco to the fair grounds at Roberts Stadium.

Booths, exhibits, acts, drill teams, stunts, and programs have been arranged for. Various novelties and food samples are to be given away by several of the business concerns represented.

An Associated Oil Company broadcasting system will be used for announcements while the fair is in progress and during the evening, a "man in the street" interview idea will be carried out over the "mike."

A miniature "Olympiad," patterned after the Berlin Olympic Games, opening ceremony, will open the fair officially.

Tickets for the original date will be honored and those wishing to purchase them, who have not done so before, should contact any Beta Phi Gamma member or inquire at the Publications office.

Kappa Delta Tau Performs

Helen Frank, president of Kappa Delta Tau, creative dance society, last Wednesday announced that the organization would participate in the Stanford Dance Symposium tomorrow, April 10.

All colleges in California plan to send representatives from their various creative dance societies to this Symposium. The local delegation will include approximately fifteen members of Kappa Delta Tau.

Catalogue Cover Chosen

Marguerite Bellis, member of the art club of the college, has designed the cover for the 1937-38 catalogue. In competition with numerous other artists, Miss Bellis' design was considered most appropriate for the booklet.

Mrs. Emily C. Ray, assistant Registrar, headed the committee appointed to judge the various entries.

S. F. State is Good Enough For Us !!!

With Fresno and San Jose State Colleges virtually doing handsprings in a new fight for the prestige that they are sure will come through the changing of their college names, we might look at the situation here at San Francisco State College. The great hue-and-cry at Fresno is, "We want to be called the University of Central California." Simultaneously, the San Jose State lads modestly hark to the cry, "Just call us California State College." Bills from both colleges are now pending in the legislature.

Maybe we should start something along that line here. How about just changing our name to a quaint little title like "The Universal University of the World." If, perchance, this takes in a little too much territory, we could be more modest then, bringing the name down to the one simple phrase, "The University of the United States." Or even more simply, "The University of California State." Just plain, homey little names.

But just let the legislature give us the money and new buildings we've been asking for, and the name of the college, like the sun and the tide, will go on forever. "San Francisco State" is still good enough for us.

Chamberlin's Tripe

Seen Around The Campus:

That publicity seeking individual who pilots the low junior class, Roy Laugesen, sporting a new pair of dark glasses. His feminine companions this semester seem to be limited to Rosemary "Gaga-about-Roy" Alexander and Melanee "Gaga-about-Roy" Carrillo, while the ex-gal friend looks on very wistfully.

Morley Carrothers, Low Soph Prexy, takes the cake when it comes to "dishing-it-out" for he is without a doubt State's number one slapper-on-the-back, whose cheery "Hello gang" is able to be heard far and wide. Esther Regier seems to be in quite a daze over the above mentioned as are many other State girls.

Mike Driscoll is quite interested in this Bonnie person as is his very good friend Don Amos.

It seems as if the law has really caught up with J. Wallace Gallagher at last. He is now defending himself in the superior court all because he smashed someone's car a little while ago, and "someone" is attempting to

make J. Wallace cough up with \$300 damages. This said alleged writer-of-checks and State's foremost guzzler of soda is to be found cross-examining himself down at the Hall of Justice.

People just love to see their names in print, and so we hope the following will be satisfied—we're not trying to link certain people, just mentioning some of the well known Staters who patronize the Noon Day Dances: Bob Sweeney and Sally Douglass; Harry McDevitt; Ruth Paulsen; Bill Abbey, and Beauty Winner, Twohig; Virginia Gildea and George Povot, who not so long ago won a prize dance; Monk Delma cutting in on Guy Swannach and Dorothy Gwill; Dick Hurst and Barbara Elliott; Bob Chandler and ex-Stater Betty Fisher who is now Ronnie English's present gal; now that nice weather has returned, the black-jack racket has been moved over to the lawn, but rain or shine, perpetual black-jackers are Hal Thompson and his cronies.

Editor's Note—As may be readily observed this column was not written by the great Chamberlin . . . several inferior, but ambitious souls have collaborated in turning out this mad mess of atrocious calumny.—Chamberlin.

Federation Holds Music Concerts

At the special meeting last Monday, April 5, the Music Federation Executive Board discussed and passed the new constitution which was submitted by Hazel Patton, chairman of the constitution committee. This constitution must now be approved by the entire Music Federation and the Executive Board of the Associated Students. Its power will be more enforceable and will tend to knit the Federation into a stronger unit. It will be discussed at a general meeting on Wednesday, April

14, in the orchestra room in Annex B at noon, at which time Edward Cockrum, president of the Associated Student Body, will speak. On the following Thursday, April 15, members of the Federation will vote by ballot on the constitution and several propositions. At noon of the same day there will be a student recital which will include a program by the College String Quartet, a piano solo by Carlton Peters, and a piano duet by Bee Zisser and Connie James.

Roy M. Laugesen:

I have never written any answer to an editorial but yours prompts me to do so. A few facts might clear some of your statements. First of all, it is necessary for many of the music students to work in order to attend college. Some pay part of their college expenses, while a few are self-supporting. The work most do is playing in dance orchestras. As you probably know, most dances are on Friday night or Saturday night—Friday night being the evening of our football games. You can readily see why such a small turnout at last season's games. The best musicians would be working and if they did not, they wouldn't be able to attend college. When State had its football games on Saturdays the band turned out and played.

Secondly, St. Mary's College Band is what might be called a "pick-up" band. The majority of the players do not attend St. Mary's College, but come from different schools around the bay area. No wonder they can have a large pep band, when players are "imported"!! It might interest you to know that two and three years ago, several State students (since dropped out) were playing in St. Mary's Band and are there, as yet, playing for them today.

Another band that "imports" its players is University of San Francisco. There are many players there who have no connection whatever with the school.

You quote, "St. Mary's College with half our enrollment produces a band that is the spark plug in the Gael rooting section". Do you not know that St. Mary's has only male students while the men at State are outnumbered by women about three or four to one? Don't you think it would be much fairer to compare the male population of these schools? After all, how many girls do you find in State's band?

If you want to stick to your story of the large enrollment at State and the small enrollment at St. Mary's, I'll put a question to you—Why doesn't State have a better football team in proportion to St. Mary's? This question is as fair as your comparing the two bands.

I hope these explanations are clear to you as to:

(1) Why the absence of a band at Friday evening football games?

(2) Why St. Mary's with its small enrollment is able to produce such a large band?

Yours,

LARRY SELMER.

GOLDEN GATER

Page 3

By DAVE SCHUTZ

A remarkable bit of performing was done by State's Purple and Gold cinder artists, better known as the track team, last Saturday afternoon at Santa Rosa. Even though numerous brilliant accomplishments were the order of the day, not many of the fifteen hundred students at State realize just what they were.

Topping all other performances was the feat of winning four events by Daryl Hopkins. His time in the low hurdles of 24.2 is faster than any California or Stanford timber topper has done this year. Early in the season Hoppy confided in yours truly that he would do 24 flat this year. Thinking that he was only kidding, because he has so many other events to participate in, we told him he would get a story if this was achieved, well his performance of last Saturday certainly deserves a build up.

Bob Cota's 4:40 mile was also colossal. Cota has always threatened as a four lap man, but now he appears to have really hit his top stride. Stan Kuder appears as though he is liable to hit a two minute half any meet now. Ronnie Lindlow, who has openly stated that he will do a fifty second quarter, is slowly rounding into form. With little practice and a bad leg Ronnie breezed in in 52.4 and should improve a second this week.

Although State did not win the 220, the time of 21.9 by the Santa Rosa sprinter was sensational. Jim Hopkins who trailed the Bear Cub man to the tape was also around 22 seconds, fair to middlin' for a freshman.

The Gater netmen get ambitious today and tomorrow, meeting U. S. F. at the Palace today and coming right back tomorrow with their second match of the week against San Jose State. At present these two teams are leading the Northern California Tennis League and if State manages to eke out a win it will probably be classed as an upset, although they are due for a win and this weekend may be the time to start.

At present State's only consistent winner is Ronnie English, but Doug Crary, an in and out can easily turn in a victory, as can Rod Kavanagh, who is improving with every match.

Tracksters to Meet Modesto in Dual Match

Modesto Jaysee's track and field squad, comprising one of the most colorful groups to cavort on the cinder paths, will tangle spikes tomorrow at the Kezar Stadium with Coach Dave Cox's Golden Gaters in what promises to be a mighty interesting meet. The fireworks are scheduled to start at 1:30 p.m.

The Golden Tide is expected to roll up another victory, but the assumption is made only after a careful scrutiny of the marks of Coach Fred Earle's aggregation. If everything comes off to expectation, several close battles will result in nearly every event.

Stan Kuder, holder of the school record in the mile and 880 yard runs, with his running mate, Bob Cota, will have a little trouble with the Hawkins twins, Don and Ron, in these events. Don turns in a good half-mile race while Ron has been clocked at 4:40 in the four lap event. Both Kuder and Cota should best these times.

Daryl Hopkins, State star who has not reached his zenith despite brilliant marks of last week, will tangle with veterans Shirley Summers and Francis Thornton in the hurdles. Thornton, who towers 6 ft. 8½ ins. in the ozone, will offer the most resistance but Hopkins should win.

Thornton will also take his turn at the shot-put and discus throw, trials wherein his marks are almost identical with those of Steve Ebert of Gater fame. A conservative guess would give the rival squads equal shares in these events.

Bob Lawrence of the Pirates is virtually a cinch to win the javelin throw. The visiting trackster tosses the spear out somewhere around 185 feet while Dick Hurst's best mark is short of that figure.

Errol Evans, Jim Hopkins, Frank Collins, and Ronnie Lindlow will find their biggest threat in the dashes in the form of Hallstone of the Jaysees. On comparative marks, both events look to be a toss-up.

However, Coach Cox's proteges should take a clean sweep in the high-jump and broad-jump. Daryl Hopkins and Dick Hurst should finish well in front in the first event, while Evans should top all that the Pirates have to offer in the latter.

Bear Jayvees Trounce Gater Batters, 14-4

Batting around twice during the game, the first time in the third inning and the second time in the sixth inning, the University of California Cinnamon Bears handed a severe 14 to 4 trouncing to the Gater nine Wednesday on Roberts Field.

Taking advantage of four walks issued by George Bogdanoff, three State errors, and six hits, including a double and a triple, the Cal. junior varsity put over nine runs in the third frame. Again in the sixth, Cal. batted around when the Bears rung up three runs on three hits, two free passes and three boots. Scoring for the Berkeley boys was concluded in the eighth and last stanza when Pihl drove out a home run over the right center field fence, tallying Donlop before him.

State put across its first pair of runs in similar fashion when Dick Osborne crashed out a circuit blow in the fourth inning, driving in Pat Bowers who had just singled. The Purple tallied its final runs in the sixth frame when Bowers scored Hal Wood on a long double, went to third while Spider Turner was being thrown out, and came home on Osborne's fly to deep center. State at no time threatened the transbay outfit's lead.

Bill Abbey and Pat Bowers led the home team in hits, Abbey getting two for three, and Bowers collecting two for four. Connelly, third baseman for the visitors, paced the Bear hitters with three for five, including two doubles.

Tells On Santa Clara

By TIM GUINEY

Caustic comments from behind the eight ball: This one happened prior to the Santa Clara-St. Mary's tussle of last November. It was the day before the game. The telephone in the office of Art Wittamore, one of the Kezar Stadium bosses, rang sharply. It was Santa Clara University calling, with a little request to make.

The request? It was short and sweet. Simple to the effect that would Art please see that the goal posts were not torn down in the event that Santa Clara won the game? Further, if the Broncos won, would Art please ship the posts down to Santa Clara, to be rigged up in Ryan Field, so that the boys could tear them down in private?

Just too, too ducky, what? All of which just goes to show you that...

Signs of the times: Schwarz, the slap-happy one, walking on his heels and training for the coming boxing matches in typical schwarz style i. e. sitting on the benches talking about himself to anybody screwy enough to listen. The rumor is also out that he is going to "wrestle" "Sad Sam" Goldstein. Ho. hum.

Tennis Team to Meet Don, Spartan Netmen

With five defeats in as many starts against league opponents, the Purple tennis team will meet the U. S. F. Dons this afternoon and San Jose State's Spartans tomorrow in an attempt to break into the winning column.

So far this season, Ronnie English has been the only consistent winner for the Gaters, Ronnie having won every match he has participated in this year. Doug Crary and Rod Kavanagh are rounding into shape and along with Billy Hammond, if he is ready, may swing the matches in State's direction. Doubles teams are still doubtful.

The Dons and the Spartans have completely mastered the Gaters in their other matches and are expected to do so again, although the Staters have an outside chance to put over an upset, thus giving themselves a chance to climb out of the cellar.

Jayvee Track Squad Wins From Menlo J. C.

Showing that very soon the Varsity tracksters will be three deep in each event, the Jr. Varsity downed the Menlo J. C. cindermen 59 to 53 Tuesday at Kezar. Scoring a clean sweep in the mile at the beginning of the meet gave the Staters a lead that was threatened only once during the meet when the J. C. led them 23 to 21 after the 880 yd. run, and the meet hinged on the outcome of the relay which gave the J. V.'s the meet.

Summary:

100-yard dash—Hansen (S), Hopkins (S) and Barry (M) tie for second. Time :10.2.

220-yard dash—Collins (S), Evans (S), Haines (M). Time, :23.3.

440-yard dash—Collins (S), Hansen (M), Leavitt (S). Time, :52.5.

880-yard run—Olsen (M), Kline (S), Bailey (S). Time, 2:15.2.

Mile run—Kline (S), York (S), O'Conner (S). Time, 4:52.

120-yard low hurdles—Peninov (S) and Olsen (M) tie for first; Barry (M). Time, :19.3.

110-yard high hurdles—Olsen (M), Peninov (S), Denser (S). Time :17.1.

High jump—Northcraft (M) and Dickson (M) tie for first; Luntz (S). Height, 5 feet, 4 inches.

Pole vault—Dickson (M), Thompson (S), Gallagher (S) and Barrows (S) tie for third. Height, 10 feet.

Shot put—Pantages (S), Hudson (M), Thompson (S). Distance, 39 feet, ½ inch.

Javelin—Northcraft (M), Dickson (M), Robey (S). Distance, 159 feet, 4 inches.

Discus—Thompson (S) and Northcraft (M) tie for first; Peninov (S). Distance, 110 feet, 10½ inches.

Relay—Won by State team, composed of Baine, Leavitt, Evans, J. Hopkins. Time, 3:46.

Hal Harden's baseball nine, uncommonly known as the "apple-sluggers" did a grand job of apple-polishing Tuesday evening when they shellacked a loosely-strung-together Jaysee outfit by the lopsided count of 12-4.

Ru Stone grooved 'em for nine innings for State while J. C. used twirlers Martinez, Wilgus, and Giddings. Stone was never in a tight spot—he just threw 'em across and catcher Abbey whipped 'em back a little harder. The infield worked like puppets and came up with three lightning double plays.

Kiley's double and Fex's infield single broke seven shutout innings for J. C. and the Apples of the Jaysees' eyes bunched three errors, two stolen bases, and a triple for a three run ninth inning rally.

Wilkes, first batter for State, hit one high and outside on a looping line to center field for three bases. Lee walked, Abbey doubled in two runs, Wood singled, stole second, and Turner batted in the last two runs of the rally with a sizzling liner to left. In the second, Bogdanoff walked, stole second, Stone doubled to right, Wilkes singled, Berutich fumbled Lee's grounder, Abbey doubled again and Wood singled again. That meant five runs. Boggie's single, Stone's walk, China Joe's bunt, Abbey's drive to the orchard and Wood's third single gave State their last three tallies in the fifth.

State gathered fourteen hits to J. C.'s seven. Stone donated two walks.

STATE NETMEN LOSE

With Ronnie English winning their only singles encounter, State's tennis team was beaten Wednesday afternoon by San Jose State's netmen 7-2 in the matches played at the Palace of Fine Arts courts.

English continued his four year winning streak by taking a straight set win from the Spartan number one man, but failure of the rest of the squad to come through caused the Gater's fifth straight league loss.

Gater Baseballers Battle Strong Athens Club Nine in Game at Roberts Stadium

The only club team to meet the Gater nine this season comes to Roberts Field tomorrow to do battle with the Harden bat swingers. The team, better known as the Athens Club, is one of the strongest organizations of its kind in the bay region.

Last season the Gaters lost two close decisions to the club from across the bay, but since then many of their players have graduated to the big time and may not be as strong, but Coach Al Abrew can always be counted on for a super strong nine.

Gone from the lineup are Ambrose and the Stewart brothers, all having gotten promotions, but Whitey Olsen will return to the pitching mound for another attempt to beat the Purple sluggers.

Coach Harden will start his first team as usual with either Runar Stone or Owen Jones on the rubber at the beginning of the game. At present Bill Abbey, hitting well over .500, is leading the club in hitting, but Hal Wood, Doug Crary, and Kenny Wilkes are right behind.

Interest Revived in French 'Cercle'

By ALMARIE PORTEOUS

By golly it happened! The long contemplated blood transfusion of the French Club took place Tuesday, April 6, with the largest number of members present that has attended the meetings in the last few months. Those new officers elected were Margaret Capps, vice-president, and Helene London, treasurer. The presidency and secretaryship remained the same, being held by Rose Perlman and Jeanne Spagnoli respectively.

Great interest has been aroused amongst the members by the newly-planned schedule of social events which will fill all available time between now and the end of the semester. First of importance is a house party at the home of Margaret Capps on the evening of April 23rd at 8 o'clock. Old-fashioned games will be played as well as French folk dances, and community singing of favorite popular songs will be enjoyed.

Refreshments will be served.
